Any way
you want

FLATKNIT[®]
extra-soft / 25FK BPS

Fastening Products Group

FLATKNIT[®]

extra-soft / 25FK BPS

Having a remarkable flexibility, softness and a low profile, the FLATKNIT[®] extra-soft zipper is great for your lightweight, packable products. Feel the difference as soon as you touch it.

Packable

A unique chain flexibility compared to standard coil chains allows for easy packing of the zipper.

Lightweight

The FLATKNIT[®] extra-soft zipper chain is over 20% lighter than a standard YKK No.3 coil chain.

Soft-touch

The smooth tape surface is soft to the skin.

Low-profile

The zipper chain is 20% thinner than a standard No.3 coil chain.

**The information above is based on YKK quality testing.*

Item

Care Advice

- Do not use this zipper in reverse.
- Do not subject this product to heavy loads.
- In order to determine if this product is suitable for your application, YKK recommends testing it in your end product.
